

The Legal League 100 Membership

The Legal League 100

Leadership. Advocacy. Education.

Join elite financial services law firms across the United States uniquely positioned to work for the benefit of the legal profession and the mortgage industry.

A better industry is possible.

The mortgage servicing industry is changing. Determine its direction. Place your firm at the forefront of the conversation and become a part of the coalition of financial services law firms leading the charge for progress in the profession, The Legal League 100.

At this time of transition, industry stakeholders and regulatory officials are making the decisions that will affect your business for years to come. Now is the time for the legal community to speak with one voice and collaborate with our industry partners to achieve success.

That is the mission of the Legal League 100.

The Power of The Legal League 100

STRATEGIC ADVOCACY

From providing regulatory commentary to government agencies, to liaising with mortgage servicers on behalf of the membership, the Legal League is a champion for the legal community.

INDUSTRY COLLABORATION

The Legal League convenes two semiannual day-long summits with leaders from the mortgage servicing community to discuss the industry's most pressing issues.

A DEPTH OF KNOWLEDGE

A majority of the membership's attorneys have 11 to 20 years' experience on average and frequently comment on issues of local and national concern.

EXPANSIVE REACH AND INFLUENCE

Legal League 100 members do business in 46 states and Puerto Rico.

Four Avenues, One Destination

The heart of the Legal League 100 is providing an opportunity for the membership to directly shape the industry that they serve. The focus of Legal League subcommittees is on

affecting change concerning the most pressing issues for financial services firms. Control is in your hands. Positions on each of the subcommittees are open to the membership at-large.

ADVOCACY ALLIANCE

The Advocacy Alliance Subcommittee leads the advocacy efforts in front of the mortgage servicing community and the judiciary on behalf of the Legal League 100 concerning issues of law firm sustainability, the creation of uniform procedures throughout the industry, and various areas of controversy at the federal and state level.

GOVERNMENT AFFAIRS

The Government Affairs Subcommittee spearheads the Legal League 100's drive to address legislative and regulatory issues by liaising with policy makers to ensure that the legal community's interests are adequately represented at the highest levels.

EDUCATION SERVICES

The Education Services Subcommittee creates educational opportunities to keep the membership informed and the industry at large of best practices and changing regulations through the utilization of webinars, bulletins, and article publication. The subcommittee is also responsible for developing and providing in-house training for mortgage servicing firms.

AUDIT & COMPLIANCE

This Audit Compliance Subcommittee leads on the issues of auditing, compliance, and developing strategies to effectively handle a process that can be costly and time consuming for law firms.

Ready to collaborate?

The members only, semi-annual Legal League 100 Servicer Summit features unique, open-forum roundtables, informative keynotes, industry-led panels, and first-class networking.

This day-long gathering of industry leaders encourages attendees to actively participate in collaborative discussions

and dialogue led by the-members of the Legal League 100 and influencers from the lending and servicing communities. Representatives from leading stakeholders in the mortgage servicing industry and government are among those regularly in attendance.
